Charlotte Louise

“I recently organised a hens night for my sister and from start to finish the event was seamless in both organisation and on the actual night. The staff were brilliant, the facilities were spotless and the food was exceptional. Would highly recommend this venue for any function.” Fiona Turner

“The night was a huge success! Everyone had a great time. The room was perfect, the food was excellent and the staff were extremely helpful! Can’t thank you enough.” Juliette

“Everyone that I spoke to loved the venue so I’m sure we would love to come back again! A huge thank you to you and your team. The security team you used were fantastic too, please pass on our thanks to them for their professionalism and good spirits (it’s not often they get to hear the good stuff!). I will certainly be sharing the great evening with our wider head office team too so who knows maybe they will also hold theirs with you next year :)” Helen Kent

“We all had such a fabulous night! I think everyone behaved themselves, which was also great. Heard a lot of people say it was the best venue yet. As Helen said all your staff were amazing.” Gen Burke
